Palmer,

Thank you for the confirmation. We'll fix it into the calendar. I will provide you with a final list of who will be on from our team - should only be 4 of us.

Thanks
ss

Subject: Model Presentation

Palmer,

Apologies for the slow reply on this potential presentation regarding our work to develop a hydrologic model of the Bristol Bay watershed. It sounds as like the two key people on our team are travelling on the 24th. Would the following week for a meeting work? Wednesday May 30? Same original time 2-3 pm?

Thank you.

Best,

Ss
